Please provide any additional information that you believe may be helpful to SWGfL in the allocation of an Assessor	

It is essential that the school provides comments which describe its provision - for all aspects - without these it is difficult for an Assessor to predict whether the school is likely, or not, to meet the required benchmarks.

I give permission for SWGfL and the Online Safety Mark Assessor to review the school's 360 degree safe self-Review Tool.

Should the school be successful in its submission, I give permission for SWGfL to include the school within its publicity materials and list of successful schools.

I agree to pay SWGfL the required fee for the Assessment. The fees are listed below:

Category of school	Size of school	Fee
SWGfL schools (or schools in LAs holding a 360 degree safe local licence)	Less than 500 on roll	£550 (+VAT)
	500 or more on roll	£750 (+VAT)
Maintained schools not in SWGfL or in LAs holding 360 local licence	Less than 500 on roll	£700 (+VAT)
